What we do

Health and physical educators are making a lasting impact on the future health of America.

We take pride in helping students understand the importance of living a healthy and active lifestyle and prepare them with the skills and knowledge to live their best life.

“

I like that I have something new every day.
I would hate a job where I have to do the
same thing over and over again.

William A. Robbins III - PE Teacher
(Purdue University, 2013)

Did you know?

- ✓ Health and physical education is required subject matter in all 50 states and the District of Columbia.
- ✓ Teacher demand is projected to increase 14% from 2010 to 2021.
- ✓ Many states require individuals be licensed to teach.
- ✓ Health and Physical Education teachers earn a median salary of \$54,720 per year.
