

School Health Education Teacher of the Year Criteria

Below are the five award criterion. Please outline your qualifications for each criterion. Write no more than two pages of text for each. The applicant should outline qualifications relevant to that criteria, consideration is based on your responses for the criteria.

**Do not include any identifying information
(i.e., your name, school name or on school/district letter heard).**

Award Criteria

The applicant must be a teacher who:

1. Implements a skills-based health education program aligned with essential components of National Health Education Standards and Appropriate Practices in School based Health Education.
2. Administers performance tasks for formative and summative assessment of health education skills and utilizes the data gathered to inform and guide future instruction.
3. Evidences the integration of health-enhancing technology for instruction that aligns with skills. (This would include use of technology to enhance instruction as well as teaching healthy technology use.)
4. Engages in culturally responsive instructional practices.
5. Advocates for and supports the profession, as evidenced through partnerships, participation in professional organizations and professional learning opportunities.
